GENERAL TERMS

PRICES

Prices are subject to change without notice. Orders are accepted only on the basis of Prices ruling on date of shipment.

TERMS

Thirty days Net, or 2% for cash if paid on or before the 10th of the following month from date of invoice.

DELIVERY—All prices are F.O.B. Factory

Stanley—Handyman—Russell Jennings, New Britain, Conn.

"Yankee," Philadelphia, Pa.

Stanley-Atha, Newark, N. J.

SHORTAGE OR DAMAGE

All our goods are sold F.O.B. New Britain, Conn., Philadelphia, Pa., and Newark, N. J. In case any shortage or damage is detected notify at once the delivering Transportation Agent, and file claim promptly. Any delay may cause you a loss. Our responsibility for delivery of goods ends when we have a signed Bill of Lading by our local Transportation Agent.

QUALITY AND REPLACEMENTS

All Stanley tools are carefully inspected before leaving the factory. Any article claimed defective in workmanship or material must be returned to the factory, transportation charges prepaid. Distributors are never authorized to make replacements of our goods.

When it has been clearly demonstrated through factory inspection, that the tool is defective as to material or workmanship, such defective tools will be replaced with a new tool, free of charge, or if the tool can be repaired it shall be repaired free of charge.

This is the only guarantee of our goods that we make and no representative of this company is authorized to make any other.

When it has been demonstrated through factory inspection

that a tool has been abused and is NOT defective as to material or workmanship, such tool will NOT be replaced free of charge, or if the tool can be repaired it will be repaired at customer's expense after first obtaining customer's permission.

DIRECT SHIPMENTS

We make an extra charge of Five Per Cent on the Net Amount of All Invoices covering goods ordered for shipment direct from the factory to dealer's customer. This extra charge will also be made when goods are ordered for shipment to a point where the dealer ordering does not carry a stock.

The above will not apply on orders for repairs or repair parts to be sent by mail or express.

We make an Extra Charge of 10% on Parcel Post shipments. This does not apply on Repairs or Repair Parts.

RETURNED GOODS

No goods are to be returned to us at New Britain, Connecticut, Philadelphia, Pa., or Newark, N. J. nor at any of our Warehouses, without authorization by prior agreement with our Sales Department and, when the return is thus authorized, transportation charges are to be prepaid.

This Company will not be in any way responsible for any goods shipped to us without such prior authorization by us.

SCOPE OF THESE TERMS

Unless otherwise agreed in writing, this Price List will constitute our entire terms and obligation upon our acceptance of any order, regardless of the terms, stipulations, etc. in any request for quotation, or as may appear in any order form now or later submitted by the buyer.

NOTE

If, under any law now or hereafter passed, the seller is required to pay a tax on sales, or an Excise Tax, the amount of these taxes will be added to the invoice value.

Heavy Hammers, Sledges and Mauls

Buy Handled Tools . . . Ready For Use

While in general heavy hammers, sledges and mauls have been sold without handles, these tools can be purchased complete with factory fitted and driven handles. Stanley Sledge Handles are selected grade AR straight grained, sound hickory, smoothly finished.

† Heads under 5 lbs. take 16 inch handle.

Heads 5, 6, 8, 10 lbs. take 32 inch handle.

Heads 12, 14 lbs. take 34 inch handle.

Heads 16, 20 lbs. take 36 inch handle.

† Except for No. 780 Drilling Hammer. All sizes No. 780 take 10¾ inch swell end handle.

Prices for heavy hammers, sledges and mauls without handles and complete with handles are shown on this and following pages.

■ Soldering Irons and Parts

Specify voltage when ordering
Soldering Irons

Stanley Screw Tip and Plug Tip Soldering Irons are furnished with Copper Tips or Armor Clad Tips as required. Orders for Irons with ARMOR CLAD TIPS should show the Tip number — example:

No. 320-121 Soldering Iron

Prices—Soldering Irons with Armor Clad Tips:
Prices are figured on DIFFERENCE in VALUE of Tips. Example:

NO.			EACH
350	Iron	E09T00	\$13.50
350-155	Iron	E09T67	14.50

All Irons are stocked for 110-120 Volt and 220-230 Volt, except 545 Line (110-120 volt only). Special voltages can be furnished upon request.

Irons ordered less Tips price complete Iron less price copper Tip.
